SUMMARY

Business Operations & Market Execution Professional with experience across B2B chemicals, manufacturing support, procurement coordination and sales operations. Proven ability to work closely with management, coordinate across plant and corporate teams to convert business requirements into on-ground execution.

WORK EXPERIENCE

Ramesh Trading Corporation – Vapi/Surat **2025 - Present**
Business Development Executive (B2B Chemical trading) (Gujarat & Maharashtra)

- *Handle 70+ active industrial inquiries* across Vapi, Valsad, Umargaon, Tarapur, Palghar, Ambernath and Mumbai, covering both manufacturing units and corporate offices.
- *Acted as a coordination and execution support resource for management* across Gujarat plant-level teams and Mumbai-based corporate offices, ensuring structured communication, follow-ups and on-ground execution.
- *Handled regular communication with senior stakeholders* including Directors, Presidents and Procurement Heads for commercial discussions, requirement understanding, alignment and closure support.
- *Managed the end-to-end sales and execution cycle* including enquiry handling, quotations, negotiations, order closures, internal coordination and post-order follow-through.
- *Supported management in early-stage Maharashtra market expansion* (Tarapur, Palghar, Ambernath) through field visits, relationship building and sharing structured market intelligence on pricing expectations, supplier landscape and client behaviour.
- *Assisted in sourcing and benchmarking of chemicals* imported by Mumbai and Bhiwandi-based importers, supporting internal decision-making related to pricing strategy and competitiveness.
- *Owned follow-through across internal teams,* transporters and customers, coordinating multiple dispatches per week and ensuring timely material movement, clear communication and execution closure.

SuprNatural Foods – Vapi **2023 - 2024**
Operations & Supply Chain Associate (B2C-SME)

- *Worked closely with the founder* and operations teams in an SME manufacturing setup, supporting end-to-end operational execution.
- *Coordinated procurement of raw materials and packaging inputs* from multiple suppliers, including pricing discussions, availability tracking and order follow-ups.
- Handled logistics coordination, transportation planning, and weekly stock movement tracking, supporting production scheduling and retail supply.
- Supported distributor and sales coordination, including order follow-ups, dispatch alignment and basic commercial communication.
- Assisted in day-to-day manufacturing operations, gaining exposure to stock control, process flow, vendor management and on-ground problem solving.
- Built practical understanding of SME business operations, cost sensitivity, execution gaps and promoter-led decision environments.

Spectra Dyes & Chemicals - Vapi **2020 - 2022**
Procurement & Operations Support

- Worked closely with promoters and operations teams in an export-oriented aromatic dyes manufacturing unit, supporting day-to-day business execution.
- Coordinated procurement of raw materials from approved vendors.
- Handled vendor coordination on pricing, availability and delivery timelines, supporting continuity of production and dispatch planning.
- Supported export packaging alignment and compliance as per international buyer specifications, working alongside production and dispatch teams.
- Acted as a coordination bridge between procurement, production, and dispatch, ensuring material readiness, packaging accuracy and shipment preparedness.
- Gained hands-on exposure to manufacturing workflows, export execution and operational discipline in a regulated environment.

TutorialTent – Vapi **2018 - 2020**
Founder & Operations Head

- Founded and operated an IELTS coaching institute with complete ownership
- Managed marketing, walk-in conversions, admissions and fee collections
- Handled daily operations, customer servicing and delivery quality

Spice Academy – Vapi **2016 - 2018**
IELTS Trainer

- Trained students across IELTS modules and monitored academic progress
- Developed communication, presentation and people-handling skills
