CURRICULUM VITAE

SUKETU.C. DESAI

M.Sc. Chemistry (22+ Years in Pharma)

PERSONAL INFORMATION

Name	:	SUKETU.C. DESAI
Date of Birth	:	26/08/1973
Languages Known	:	Gujarati, English & Hindi.
Marital Status	:	Married
Contact No	:	9825113587
Email	:	desaisuketu5@gmail.com
Address		*14 Hirak Apt, Opp Nilam Park, Subhash Chowk Gurukul Road, Memnagar, Ahemedabad –380052 Gujarat, India.*

QUALIFICATIONS

- Detail-oriented professional with 20 years combined experience in pharmaceutical, personal healthcare a quality control laboratory.
- Holding a Master of Science Degree in Chemistry with extensive experience working in a QC role
- Possesses excellent knowledge of GMP, GLP and Health Canada and FDA regulations
- Solution focused, able to proactively develop efficient solutions to challenges in a variety of work environment
- Organized and detail oriented; proven ability to manage a large workload w hile maintaining excellent output
- Excellent communication and interpersonal skills; communicates effectively with individuals at all levels
- Collaborate effectively with cross functional teams and possess strong leadership skills
- Working knowledge of Microsoft office and limited experience in SAP

SKILLS SUMMARY

1. Quality Compliance
2. Audit Preparation
3. Laboratory Management
4. Quality Improvement
5. SOP [Writing/Document Review]
6. Instrumentation
7. Training & Coaching

To pursue the knowledge, that can strengthen and sharpen my technical skill and make me proficient for acclimatize the global challenges in this industry and to become an asset to your organization.

Academic Qualification

Sr. No.	Degree	Passing Year	Institution	Subject	Grade
1	M.Sc.	April-2015	Madurai Kamaraj	Chemistry	Second class
2	B.Sc.	April-1993	Gujarat University	Chemistry	Second class

Computer Literacy

Basic Computer knowledge.

Operating System	:	SAP [System Application Product Q.M.S Module
Application	:	Microsoft Word, Excel, PowerPoint & Internet

Professional Experiences

LINCOLN PHARMA AS A ASSISTANT MANAGER-Q.C 22.09.2023 to 11-02-2024

at present I working with Brussels laboratory as a q.c manager from 14-02-2024 to Till this date.

PRESENT COMPANY:	**MERRIL PHARMA PVT LTD , BAVALA**
PERIOD	**10.09.2022 to 17.09.2023**
POSITION	**Manager -Quality Control**
WORK RESPONSIBILITIES	▪ **Leading the Under-Designees/ On-Job Training & Coaching** ▪ **SPEC -MOA** ▪ **SOP Preparation & Review** ▪ **Document Review** ▪ **Water validation and Testing** ▪ **Working Standard Preparation** ▪ **RM-PM Testing** ▪ **Finished Product Testing**

PRESENT COMPANY: PERIOD POSITION WORK RESPONSIBILITIES	**UMAVIDA PHARMA PVT LTD.,Kadi** *15.07.2021 to 01.09.2022* **Manager -Quality Control** ▪ Leading the Under-Designees/ On-Job Training & Coaching ▪ SPEC -MOA ▪ SOP Preparation & Review ▪ Document Review ▪ Water validation and Testing ▪ Working Standard Preparation ▪ RM-PM Testing ▪ Finished Product Testing

PREVIOUS COMPANY: PERIOD POSITION WORK RESPONSIBILITIES	**SAKAR HEALTHCARE LIMITED,** Changodar, Ahmadabad *September 2016 to July 2021* **Manager -Quality Control** ▪ *Audit functions such customer/regulatory audits, Self-inspection, External audits of suppliers that resulted in 4 successful and back-to-back ISO audits on medical device and cosmetics as well as FDA and Health Canada during 2nd month of employment.* ▪ *Determined, negotiated and agreed on in-house quality procedures, standards and specifications leading to updated and more compliant quality SOPs and specifications.* ▪ *Reviewed, revised and approved Annual Product Quality Reports resulting to more robust, concise and compliant reports acceptable to FDA during its visit.* ▪ *Assessed customer requirements and ensured that these are met leading to numerous successful collaborations with the clients. Specified quality requirements of raw materials with*

	suppliers resulting to acquiring more qualified vendors for raw materials. Investigated and set standards for quality and health and safety that ensured all customer complaints and production deviations are fully completed and approved. ▪ *Ensured that manufacturing processes comply with standards at national and international level leading to successful project launches and new projects that were started in production in a timely manner.*

PRESENT COMPANY: PERIOD POSITION WORK RESPONSIBILITIES	**DISHMAN PHARMACEUTICALS & CHEMICALS LTD.** Bavla, *August 2015 to August 2016* **Manager -Quality Control** ▪ *Worked with operating staff to establish procedures, standards, systems and procedures resulting to fewer production non-conformances.* ▪ *Wrote management and technical reports and customers' charters that clarified and addressed all client and customer concerns resulting to more positive feedback.* ▪ *Determined training needs that ensured better compliance to procedures.* ▪ *Troubleshoot and run instruments such as HPLC.* ▪ *Directed objectives to maximize profitability that were well received and being executed currently by the QC Department. Monitored performance and supervised technical or laboratory staff.*
PREVIOUS COMPANY: PERIOD POSITION WORK RESPONSIBILITIES	**NIRMA LIMITED.** *February 2011 to July 2015* **Quality Control Sr. Executive** ▪ *Worked with operating staff to establish procedures, standards, systems and procedures resulting to fewer production non-conformances.* ▪ *Wrote management and technical reports and customers' charters that clarified and addressed all client and customer concerns resulting to more positive feedback.* ▪ *Determined training needs that ensured better compliance to procedures.* ▪ *Troubleshoot and run instruments such as HPLC.* ▪ *Directed objectives to maximize profitability that were well received and being executed currently by the QC*

	Department. ▪ *Monitored performance and supervised technical or laboratory staff.*
PREVIOUS COMPANY: PERIOD POSITION	**CLARIS LIFE SERVICES** *December 2004- February 2011* **Quality Control Sr. Executive** ▪ *Worked with operating staff to establish procedures, standards, systems and procedures* ▪ *resulting to fewer production non-conformances* ▪ *Wrote management and technical reports and customers' charters that clarified and addressed all clients' and customers' concern resulting to more positive feedback* ▪ *Determined training needs that ensured better compliance to procedures* ▪ *Troubleshoot and run instruments such as HPLC* ▪ *Directed objectives to maximize profitability that were well received and being executed currently by the QC Department* ▪ *Monitored performance and supervised technical or laboratory staff*
PREVIOUS COMPANY: PERIOD POSITION	**BRUSSELS LAB PVT LTD.** *February 2000 to December 2004* **Quality Control In-Charge** ▪ *Authored key control procedures relating to GMP requirements for document control that led to more efficient Micro. quality system*

Total Work Experience : *22 + Years in Pharmaceutical Industries*

Job Profile

- Knowledge of operating various HPLC systems of Shimadzu, Dionex and waters.
- Knowledge of handling various sophisticated lab instrument like Gas chromatography, UV spectrophotometer, FTIR, Polarimeter, Malvern Particle Size Analyzer, TOC Analyzer, Melting point Apparatus, Karl Fisher, Tap density tester etc.
- I know various chemical & instrumental analysis of in process analysis, raw materials, finished products, process validation, cleaning validation, stability analysis, technology transfer etc.
- Having adequate knowledge related cGMP.
- Having knowledge related to reference standard and working standard.
- Documentation of Q. C. department.
- Preparation of SOP, Specification and Method of analysis.
- Review of Raw material, Intermediate, Finish product and working standard protocol. Also review of Instrument calibration records, Specification, Method of analysis and SOP document. Approved vendor Qualification for Raw material.
- Handling of all type of QC functions as well as Audit preparations for USFDA, EU, WHO, ISO

Instrument Knowledge

- ✓ H.P.L.C.
- ✓ G.C.
- ✓ F.T I.R.
- ✓ U.V. Spectrophotometer
- ✓ Particle Size Analyzer
- ✓ Polarimeter
- ✓ K.F. Apparatus
- ✓ Melting Point
- ✓ TOC Analyzer
- ✓ Tap density tester
- ✓ Auto-titrator
- ✓ UPLC

DECLARATION

I hereby declare that the above mentioned and stated details of me and my profession are very true to the best of my knowledge.
